Dear MHA Applicants:

Thank you for your interest in serving on the ACHE of Greater Ohio Columbus Chapter of the LPC. The Columbus LPC is asking each applicant to answer seven questions regarding ACHE. The response to these questions, along with each applicant's resume will be weighed and reviewed by the Columbus LPC Student Representative Planning Committee. A Master of Healthcare Administration (MHA) applicant will be chosen from The Ohio State University, Franklin University, and Otterbein. The selected applicant from each school will begin his/her term on the Columbus LPC beginning May 2017. The term of the MHA representative will be 12 month (May 2017 – May 2018). It is expected that all MHA ACHE student representatives will maintain a membership in the National Organization of ACHE (the Columbus LPC will pay \$75.00 towards membership to the National Organization of ACHE).
